Office/Registration: 540-234-9191 FAX: 540-234-8211

TITLE: Tactical Emergency Medical Support (TEMS)

PRESENTED BY: National Tactical Officers Association

LOCATION: Natural Bridge Hotel and Conference Center- 15 Appledore Lane, Natural Bridge Virginia 24578

DATE (S): October 9-12, 2017

TIME: 8:00 am –5:00 pm

DESCRIPTION: The course will incorporate lectures, practice, and scenario based training to provide emergency medical providers with the foundation principles, practices, and skills necessary for providing medical support to law enforcement operations. The emphasis will be on medical models and skills effective for supporting special operations teams during high-risk, large scale and extended operations. The concepts and skills taught in this course are also relevant to all law enforcement operations.

INSTRUCTIONAL GOALS

Upon completion of this course the attendee will be familiar with:

1. Familiarize emergency medical providers with the mission driven character of law enforcement operations and demonstrate how supporting law enforcement operations differs from regular EMS operations.
2. Provide emergency medical providers with the skills needed to effectively reduce the probability of potentially preventable injury, death and disability during law enforcement operations.
3. Discuss approaches to further mission success by maintaining team health and wellness and preventing performance decrement associated with short cycle and extended missions.
4. Discuss methods and strategies useful to introduce medical training and interventions into law enforcement operations.

TACTICAL EMERGENCY MEDICAL SUPPORT (TEMS)
