SCRAP METAL DEALER PERMIT FEE

Assessing Department:

Police

Collecting Department:

Treasurer

Description:

Every person who regularly engages in the purchasing or acquiring of secondhand building materials for the purpose of resale or installation on the property of another , shall be deemed a "Dealer".

Dealers are now required to obtain a "Scrap Metal Dealer Permit" issued by the Salem Police Department for which these items are offered for sale or acquisition as required by law.

A permit is NOT needed for those dealers who do not conduct transactions involving more than 600 pounds combined weight or enters into more than 26 combined transactions annually (59.1-116.1). Dealers who are under this threshold will only be required to submit Virginia State Police Form 313. Which is available on the Virginia State Police website and from Salem Iron and Metal.

Application for the City of Salem Scrap Metal Dealer Permit can be found on the City of Salem Police Department website: www.salemva.gov.
